MEMORANDUM

DATE: November 17, 1989

TO: File

FROM: Kelly S. McCarty, OSC

SUBJECT: Justification for Notice Letters on Saad Site

Notice letters are being sent to the PRP's listed below because there is not, at the moment, sufficient information to definitely link them to the site. The only link that I have is part of a deposition from a previous employee of Saad to the State of Tennessee. I have not even been able to locate a complete copy of the deposition.

I am sending an AO to both the landowner, Ellis Saad, and the operator, John Saad. In those AO's I am requesting information on previous clients of the John P. Saad Oil Company. I will send out AO's at a later date if sufficient information becomes available.
